

# Alabama Prison Arts + Education Project Teacher Application

The following is an application to work as a teacher with the Alabama Prison Arts + Education Project (APAEP). Upon submission of this form, you are stating that you understand that you are required to have reliable personal transportation, as all facilities will require travel.

You are also stating that you understand that you will be required to attend APAEP training sessions and follow all rules and regulations of the APAEP program and the Alabama Department of Corrections.

In addition, the Alabama Department of Corrections does a background check on all people entering their facilities. Previous interaction with the legal system does not prohibit you from working with this program. If you are selected to teach with the program, we can talk about any information that might come up on a check.
